WARRANTY TERMS

All CPtech products have been produced with care and 100% quality control has been applied. During product development stage all the products and used materials have been exposed to usage and chemical tests and their performance has been evaluated to ensure high customer satisfaction.

The warranty offered for this CPtech product is Lifetime Limited Warranty unless otherwise stated on the packaging of the product. We warrant that all of the products are free from defects in material and in workmanship.

The warranty does not apply to damage caused by abnormal or unreasonable use, use beyond the product's intended purpose, tampering, alterations, unauthorized product repairs, neglect, accidents, abrasion, exposure to extreme temperatures, solvents, acids, normal wasting for long usage and tear damage.

CPtech's warranty applies only to CPtech products and it does not apply to any non-CPtech product, even if packaged or sold with it. This warranty specifically excludes any kind of damages to items stored or carried in CPtech products.

We recommend that you treat all b-grip™ parts with care. Exposure to direct heat and sunlight might cause slight changes in appearance. Do not use any chemical cleaners to care for this product and do avoid its direct contact with chemicals and damp/wet surfaces. Contact with chemicals might cause damages on the material. To maintain the beauty of your b-grip™ you can clean it with water and soap, than dry it.

Occasionally a light lubrication of the locking lever should be needed.

During long usage we recommend to periodically check the correct tightening of the universal screw.

You don't need to do anything to activate the warranty. By the time you purchase a CPtech product the warranty starts.

If you see any defect at the material or workmanship at the time of purchase or if you experience any problem with the product while using it, please contact us through the "Contact Page" at www.bgrip.com link and state your product's model name, colour, defect's description, your location and contact details.
